PADRE CONCEICAO COLLEGE OF ENGINEERING, VERNA

MECHANISM BUILDING

Type: Inter college

Location: PCCE Verna (Online and Offline mode)

Date: 8th October 2021

Time: 2pm

Problem statement:

To build a unique mechanism which has a useful purpose that gives an output.
The output may be the application of force, linear or rotary motion.

Rules:

1. A team should consist of 2-5 members.
2. A working model should be assembled and ready for display prior to the competition date.
3. Participants will be given time to present their mechanism to the judges.
4. Buying the entire mechanism from any supplier will lead to disqualification.
5. There are no restrictions on the type of material used.
6. Judges' decision will be final and no objections will be entertained after the results are declared.
7. E-certificates will be awarded to all the participants.
